

Authorization for the Use and Disclosure of Information

I authorize United HealthCare of the Mid-Atlantic, United HealthCare Insurance Company, and their affiliates (collectively, "UnitedHealthcare") to use and disclose any personal information concerning me and/or my dependents that is contained on any application for health insurance coverage that I have completed within 60 days before or after the date of this authorization, including any individually identifiable health information contained in these applications. I understand that the purpose of the disclosure and use of this information is to allow UnitedHealthcare to make decisions regarding eligibility, underwriting, and premium risk rating.

I understand that this authorization is voluntary and that I may refuse to sign this authorization. My refusal to sign may, however, affect my ability to enroll in a UnitedHealthcare health plan or my eligibility to receive benefits if permitted by HIPAA or any other applicable state or federal law.

I understand that I may revoke this authorization at any time by notifying UnitedHealthcare in writing at 5901 Lincoln Drive, Mail Route MN012-NL23, Edina, MN 55436 except to the extent that action has already been taken in reliance on this authorization. I also understand that I have a right to ask for and receive a copy of this authorization.

I further understand that, should my employer choose UnitedHealthcare as its health insurance provider, I will be required to complete a UnitedHealthcare health and life insurance application prior to enrollment in a UnitedHealthcare health plan. UnitedHealthcare reserves the right to change the schedule of premiums applicable to your employer group based on updated, revised or additional information provided in such application.
